Thank you Sharon. We hate this one didn't work out but it may come back to us.

We enjoyed working with you and hope to do so again in the future.

Mr. Nance – According to a phone conversation I had with Bill Toole yesterday, it is our understanding that Grubb will not be in a position to pursue the BFA on this property after all. It's always disappointing to have a project not go to fruition, but we hope to be able to work with you in the future, if not on this project, with others.

Attached please find the No Further Interest (NFI) letter for this Property. You should receive a hard copy of this letter through US mail shortly. If conditions change in the future on this property and you may be in a position to move forward with the Brownfields Agreement again, please let me know.

Thanks,  
Sharon
